

Bucharest University of Economic Studies (UES)

No./Date: 2868/06.03.2024

ANNOUNCEMENT

The Bucharest University of Economic Studies is organizing a selection for the following vacancy:

Post-doctoral researcher - 1 position within the *“IDA Institute of Digital Assets” project*, project code 166/15.11.2022

Part-time work of maximum 80 hours/month, distributed unequally, gross hourly salary 120,75 lei, fixed period of 12 months with evaluation and possibility of extension until June 30, 2026.

A. To participate in the competition, candidates must meet the following general and specific conditions:

1. General conditions:

- a) has Romanian nationality, citizenship of other Member States of the European Union, of States belonging to the European Economic Area and/or foreigners as they are defined by Art. 2 lit. a) of OUG 194/12.12.2002 with subsequent amendments and additions, respectively persons who do not have Romanian citizenship, citizenship of another Member State of the EU or the citizenry of the Swiss Confederation;
- b) has the minimum statutory age;
- c) has full capacity to work;
- d) meets the study conditions and, where appropriate, seniority or other specific conditions according to the requirements of the position put up for competition;
- e) has not been definitively convicted for committing a crime against humanity, against the State or against authority, or for an offence committed in the course of or in connection with the performance of his or her duties, which obstructs the course of justice, or for forgery or acts of corruption or a crime committed with intent, which would make him or her incompatible with the exercise of the function, except for the situation in which rehabilitation intervened.

2. Specific conditions:

- a) level of education: higher education completed with master's degree;

Mandatory condition: The candidate must hold a doctorate and have research experience of no more than 8 years full-time equivalent, from the date of obtaining the first doctorate, but not more than 10 years full time equivalent under the conditions laid down by the European Research Executive Agency (REA).

The date of obtaining the first doctoral degree is calculated according to the date of the appeal.

In the case of the present selection process, the date of obtaining the first doctorate (the date of the ministerial order) must not be earlier than 15.09.2014

- b) field of study: economics, business administration, cybernetics and statistics, economic informatics, finance, or similar;
- c) other specific conditions: maximum 8 years after obtaining a doctoral degree.

Skills/Qualifications

- Ph.D. degree in economics, finance, data science, statistics, or a related field.
- Familiarity with digital assets, blockchain technology, and the financial sector.
- Strong analytical and problem – solving skills to derive insights from complex financial data;
- Experience with data scraping techniques and data APIs;
- Excellent written and verbal communication skills.
- Excellent communication and collaboration skills to work effectively with a multidisciplinary team.

Specific Requirements

- Collect, preprocess, and analyze financial datasets related to digital assets and the broader financial sector.
- Support the publication of research findings and software tools related to financial data analysis in the DA ecosystem.
- Work with the data analytics and dissemination IDA team for research publications and reports.
- Participate in workshops and seminars.

B. The selection will consist of:

- 1. Proba 1 - Evaluation of selection files;**
- 2. Proba 2 - Structured interview** (in the situation where at least 2 candidates do not register, the competition committee can decide to simplify the procedure and carry out the selection without conducting the interview);
 - *the date and time of the interview:* to be announced at the same time as the results of the selection files evaluation are published;
 - *the place of the interview:* to be announced at the same time as the results of the selection files evaluation are published,

The tests are eliminatory, the minimum score for each test is 50 points.
